Plant Peptide Receptor Meeting

September 14th-16th 2026

Session VII | Environmental interaction

Chair: **t.b.d**

13:45 – 15:30

Environmental interaction

Invited speaker: **Elwira Smakowska-Luzan** (University of Wageningen, Netherlands)

15:30 – 16:00

Break

Guided tour of the old town

16:00 – 18:00

Guided tour

Discover the winding streets of Freising's town and learn interesting facts about the special features of the oldest city on the Isar between the magnificent facades, the town hall, the parish church of St. George and the former canons' houses. Marvel at the almost 4,000-year history of the Domberg and hear about the development of the former prince-bishop's residence and the Baroque interior of the cathedral by the Asam brothers. Admire images of the Corbinian legend and the magnificent altarpiece by Peter Paul Rubens.

Poster session II

18:00 – 19:30

Poster session II

Conference dinner

19:30 – 24:00

Conference dinner

Wednesday, September 16th
