Alpine Building Conference

Garmisch-Partenkirchen | March 16–17, 2016

Invitation to participate in the first Alpine Building Conference: “Towards Net Zero Energy Buildings (NZEB)”

Dear Madame or Sir,

the first Alpine Building Conference “Towards Net Zero Energy Buildings (NZEB)” offers the exciting opportunity for the thorough exchange of experience and ideas in the field of zero-energy buildings and neighbourhoods, sustainable and energy-efficient construction, building culture and related building design topics. The main aim of the conference is to develop future strategies and solutions to create a net-zero-energy building culture in the Alpine regions.

Opening of the conference by

The Bavarian Ministry of the Interior, for Building and Transport
Federal Ministry for the Environment, Nature Conservation, Building and Nuclear Safety
Bavarian Chamber of Architects
Technical University of Munich

Keynotes by

- » **Thomas Auer, Transsolar, Stuttgart (DE)**
- » **Hermann Kaufmann, Schwarzach (AT)**
- » **Andreas Gottlieb Hempel, Brixen (IT)**

Sessions

Net Zero Energy Buildings and Building Culture
Sustainable Building Refurbishment
Strategies for Climate Responsive Neighbourhoods
Reinventing Alpine Communities
Holistic Building Design and Certification Concepts
Strategies for the Energy Transition in Alpine Countries

Alpine Building Conference

Garmisch-Partenkirchen | March 16–17, 2016

Speakers and Session Chairmen include

Bernardo Bader (AT), Markus Berchtold-Domig (AT), Peter Büchel (CH), Cédric Delahais (FR), Jakob Dietachmair (LI), Natalie Eßig (DE), Saša Galonja (SI), Peter Haimerl (DE), Nadja Häupl (DE), Hans-Dieter Hegner (DE), Oliver Heiss (DE), Helmut Krapmeier (AT), Andreas Kronthaler (DE), Werner Lang (DE), Roberto Lollini (IT), Lauranne Marcel (FR), Josef Mathis (AT), Mark Michaeli (DE), Florent Moretti (FR), Emil Müller (CH), Muck Petzet (DE), Martin Ploss (AT), Stefano Prosseda (IT), Rudolf Scherzer (DE), Wolfgang Thaler (IT), Nadège Vetterli (CH), Etienne Vienot (FR), Christian Wagner (CH), Peter Zoderer (IT/AT)

The organizers of the conference invite all partners from regional administrative bodies (ministries, regional administrations), architects' and engineers' chambers, scientific institutes, and associations connected to building in the Alps as well as regional agencies for energy efficiency and sustainability. Furthermore, individuals from the building sector are cordially invited as well, such as planners, architects, engineers, builders and investors.

Conference time frame: March 16, 2016 from 12:00 pm to March 17, 2016 15:00 pm

Location: Congress Centre, Garmisch-Partenkirchen

The presentations will be translated into French, German, Italian and Slovenian.

Participation is free of charge. As Registration is limited, we would advice to sign up as soon as possible. www.events.tum.de/frontend/index.php?sub=46. Please find here the current version of the conference program as well.

Registration closes March 7, 2016.

For further questions please contact: alpenbaukonferenz@bv.tum.de

Yours sincerely,

Hans-Dieter Hegner

For the Federal Ministry for the Environment, Nature Conservation, Building and Nuclear Safety
